3. Fire Territory

Dave Cherrone gave a report in regards to the water shortage to fight fires within the territory. The solution seems to be installing wells in the rural areas. Harris Township has already put some wells in their township. There was much discussion concerning the cost and payment of the wells.

4. Cemeteries

The question was asked about getting financial help such as Elkhart was getting for some of their cemeteries. Tom talked about the condition of our cemeteries especially that of Cripe Witter which is the oldest and worst of the two. He talked about what needed to be done. The good news is; the 4 H Club under the direction of Mark Dale, Tom and his family, Leta and Jim have been there two Saturdays in a row to cut down trees and clear out the brush. They also will be there working this coming Saturday. In addition, three trees were removed from the Portage Prairie Cemetery. Kevins Tree Service did the work for \$3200.00.

5. Financials

Tomorrow the 2019 Budget will be filed with the State Board of Accounts.

There was much discussion in regards to changing financial institutions to put our money into. Tom explained the differences between the offers of Mutual Bank, Teachers Credit Union, First Source Bank and Centier Banks. It was decided to look further into the offers.

6. Wallpaper Update

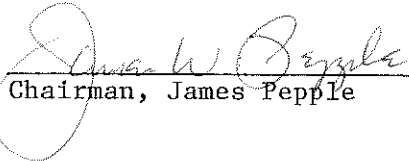

The wallpaper in the room upstairs has not been replaced yet. It has been picked out. Tom talked to the business agent for the Painters Union. The business agent got the approval from the International Union to donate their time.
