

German Township Advisory Board Meeting Minutes.

April 5 2022

Meeting was called to order at 6PM. The pledge was said by all in attendance. We had the pleasure of meeting out new county code enforcement officer, Steve Szaday. He told us a few details of what his duties are, such as abandoned cars, brush, vegetation, and unkempt lawns. Resolution #04052022 was passed first by Dolores Schosker seconded by myself Jennifer Robinson. February financials were approved by Dolores Schosker and Jennifer Robinson. We received three estimates for a new sign in front of the German Township building. Jennifer Robinson made a motion approve a new sign from Adams Remco, seconded by Leta Johnson. Delores Schosker requested it be noted that she did not approve of said sign. The meeting ended at 7:35 PM.
